LIFECLINIC MISSION:

- To Restore, Maintain, & Optimize Human Function

WE PURSUE OUR MISSION BY:

- Screening everyone for physical risk factors (poor movement patterns and posture)
- Treating the physical (muscular, skeletal, and nervous) with an awareness of the mental emotional, and social components of the body.
- Treating those who do not have symptoms in order to prevent future symptoms and optimize health

LIFECLINIC PROVIDES:

- Integrated physical therapy and chiropractic care within Life Time Fitness locations. Integrated care includes an evaluation performed together and a treatment plan designed together by the physical therapist and chiropractor. Each treatment includes exceptional chiropractic care, manual therapy and innovative and effective rehabilitation.

POSITION SUMMARY:

- LifeClinic is currently seeking a physical therapist to provide exceptional care to our LifeClinic patients.

THE IDEAL CANDIDATE WILL:

- Passionately share LifeClinics' Beliefs and Values
- Be self-driven in nature
- Be not only passionate about living a healthy way of life but live one themselves
- Be passionate about learning and receptive to teaching
- Possess strong communication and interpersonal skills
- Be passionate about educating others
- Possess a desire to be part of a team and be willing and able to work with a team of people
- Be able to provide fun, creative, and energetic patient care
- Possess exceptional manual therapy and rehabilitation skills

QUALIFICATIONS:

- Graduate of an accredited physical therapy program
- Doctorate of Physical Therapy required
- Current license as a physical therapist in the state of practice
- 2 years of outpatient experience required

COMPENSATION & BENEFITS

- Competitive market salary
- Ongoing coaching and training
- Complimentary Life Time Fitness membership
- Company sponsored Health/Vision/Dental plans
- Paid Time Off
- Continuing education allowance
