Northern Michigan Sports Medicine Center is a PT owned private practice offering outpatient services across northwest Michigan. We are looking for a full time physical therapist to join our team in Cheboygan and Indian River, MI. We are seeking a person that has skills in a variety of areas that would complement our current staff and provide the best possible care to our patients. Qualified candidates should have an interest in the treatment of orthopedic conditions along with conditions that affect an aging population. Join our team, and have the privilege of living and working in an area that combines the simplicity and beauty for which northern Michigan is known.

Responsibilities would include:

- Performing evaluations,
- Developing treatment plans,
- Record and document patient services
- Collaborate and communication with other team personnel to achieve well-rounded care
- Participation in community events,
- Contributions to web-based information/marketing
- Foster relationships with local referral sources.

Qualifications:

- Current Michigan Physical Therapy License
- New graduates considered
- An interest in gaining management experience preferred
- Experience in an outpatient orthopedic based setting with an evidence based practice pattern.
- Thrive in an environment that emphasizes the team approach to the customer experience.
- Mentoring staff and students.
- Self-motivated with a dedication to lifelong learning and skill development through CEUs and other methods

If you feel you possess these skills and attributes and you would also enjoy the lifestyle that northern MI has to offer, please forward your resume. Enjoy the lifestyle that northern Michigan has to offer.
