Now Hiring a full time Physical Therapist at our Kalamazoo, MI outpatient clinic!

Our physical therapy center in **Kalamazoo, MI** is now hiring a compassionate and driven licensed **Physical Therapist (PT)** to provide exceptional patient care experiences. Our highly trained and respected physical therapy team provides preventative and rehabilitative services that maximize functionality and promote the well-being of our patients. We utilize a variety of evidence-based treatment and manual therapy techniques to create individualized treatment plans that help each patient achieve their specific goals. Our work environment offers a great opportunity to provide skilled care to our patients and grow with the nation's leader in outpatient physical therapy.

Unique Location/Job Details: Outpatient physical therapy office with focus on clinical excellence and staff training to achieve the best patient outcomes. Caseload is primarily non-surgical orthopaedics including specialty areas of spine care, TMD/upper cervical treatment, lower quarter biomechanics, high school and collegiate athletes, pain management and dizziness/concussion/vestibular disorders.

***Opportunity to work alongside two fellowship-trained orthopaedic manual physical therapists who serve as instructors and fellowship mentors.**

- Mixed caseload of orthopaedic, sports, and non-surgical patients
- Well established Dizziness/Vestibular and Concussion Program
- Established TMD/Craniofacial program
- Experienced, skilled and caring staff
- Strong continuing education and mentoring program
- Expanded hours and flexible schedules
- Strong relationships with referral sources
