Dynamic Physical Therapy is seeking a motivated, outgoing, licensend Physical Therapist for our new location in Mt. Pleasant, Michigan. This clinic is currently under construction and we are expecting to be open in May, 2020. We currently have five (5) clinics throughout Northern Michigan and are very excited about this additon! Dynamic PT has been providing exceptional care to patients for over 25 years. We practice our profession based on scientific evidence, extensive postgraduate training and with utmost care and compassion. We believe it is essential to answer all questions and explain treatment options in plain language. It is imperative that our patients be in control of their own therapy and have an excellent understanding of their injuries.

Some of your responsibilities would include paitent evaluations, developing and carrying out treatment plans, proper & timely documentation of patient care (we use WebPt EMR), participating in community events and working to grow relationships with local physicians/referral sources.

We are a fun, upbeat and family oriented cpmpany. Please take a moment to look at our website and facebook page and you will get a good feel for who we are. Competitive salary, medical, dental, vision & paid vacation are just the beginning!

If you are interested in being a pivotal part of a great team, please forward your resume to lfullmer.dpt@gmail.com by April 6, 2020.
