## Summary of Professional Licensure Requirements Michigan Physical Therapists and Physical Therapist Assistants

- Michigan Board of Physical Therapy Rules regarding re-licensure requirements were finalized 9/15/15.
- Each Physical Therapist and Physical Therapist Assistant will need to complete 24 PDRs (Professional Development Requirements) from August 2017 to July 2019 when they apply for re-licensure for the first time in July 2019, and every year following 2019.
- The “look back” period is always the 2 year period prior to the re-licensure date.
- PT and PTA licensees will need to accumulate 24 PDR credits within 2 years immediately proceeding renewal. (Example: Those renewing in July 2020 must accumulate 24 PDR’s between August 1, 2018 and July 31, 2020.
- PDRs are required for licensure **renewal**; not for the initial PT/PTA license.
- Information about PDRs :
  - **No more than 12 PDR credits** shall be earned for approved **online** continuing education programs or activities during one 24-hour period.
  - **No PDR credits for substantially identical programs** and activities during the same renewal period.
  - **1 PDR** must be earned in the area of pain and symptom management
  - **1 PDR** must be earned in the area of identification of human trafficking victims
    - Due to new Michigan law that requires this of all licensed health professions. ( Public Act 343 of 2014 was signed into law on 10/15/14; with an effective date of 1/14/15; applies to all except veterinarian professionals.)
