

Bio

Bob Budai earned his Masters in Physical Therapy degree from the University of Michigan in 1999, and has been working as a therapist/clinic director in orthopedic settings since. He also earned a Bachelors degree in Exercise Science from Michigan State University, and has worked in multiple capacities as a fitness specialist since 1993. Bob has received specialty certifications from various organizations, including the American Physical Therapy Association (OCS), National Strength & Conditioning Association (CSCS), and National Academy of Sports Medicine (PES, CES); as well as various others in the field of rehabilitation/manual therapy (Functional Dry Needling, Mulligan Technique, Muscle Energy Technique, Graston), performance enhancement, and fitness.

He has been a Physical Therapy clinical instructor/center coordinator for clinical education for University of Michigan (PT), University of Findlay (PT), Wayne State University (PT), South University (PTA), Baker College (PTA), Mott Community College (PTA), and Mid Michigan Community College (PTA); as well as Kinesiology/Exercise Science internship provider for Michigan State University, Grand Valley State University, and Wayne State University.

Bob currently owns and operates Michigan Orthopedic Rehabilitation Specialists Physical Therapy, Functional Strength Training, and Medical Fitness of Michigan.

Candidate Statement:

My desire is to help PT's/PTA's in Michigan be considered by all medical and health professionals (physicians, chiropractors, acupuncturists, personal trainers, etc) and patients to be

the top experts in the areas we represent, including evaluation (getting to the true root of the dysfunction) and treatment (exercise, manual techniques, etc).
