

Ryan Borck

Bio:

Ryan graduated from the DPT program at Grand Valley State University in 2012. After moving to the Chicago suburbs, he accepted outpatient orthopedics positions with a large private practice and later transitioned to Northwestern Medicine. Meanwhile, he obtained his orthopedic certified specialist (OCS) and mechanical diagnosis and therapy (MDT) Certifications. After marrying in 2015 he and his nurse wife completed traveling contracts in Denver, Boston, and Guatemala. Nearly 2 years ago they settled in Grand Rapids and Ryan works as a home health physical therapist for Spectrum Health. He has been active in clinical instructing, precepting new employees, pursuing continuing education, presenting a poster presentation at the upcoming system rehab symposium, And began a podcast targeting the general public with PT- related education.

Candidate statement: I have been blessed to be included in the physical therapy profession for five years, and I'm honored to be considered for this opportunity to give back. I love physical therapy and the way we can make a difference in peoples lives, to learn every day more about how our bodies were made to be used, and be able to pass on that knowledge for the good of many.
